## TRAINING ACADEMY

### Confined Space Entrant/Attendant Training (CSEA)

#### Overview

This program will provide students with the fundamental knowledge of how to safely enter, work in and around confined spaces. This program meets and exceeds the local regulations and industry standards.

#### Content

- Regulations
- Written procedures
- Hazard assessments
- Physical hazards and control measures
- Atmospheric hazards and control measures
- Confined space permit system
- Atmospheric gas detection principles
- Duties and responsibilities of supervisors, entrants and attendants
- Confined space emergency/rescue plans

#### Format

The program is a combination of theory and demonstrations. Students are evaluated by means of a written test and a practical evaluation. Upon successful completion of the program, a certificate will be issued.

#### Certification Validity

2 years

#### Duration

1 day

#### Location

Training is delivered at the Hercules Training Academy or can also be delivered on-site.
